

## Projects Seminar 2013 - Brussels

The *Projects Seminar 2013* organised in Brussels on **March 26-27** brings together CHIST-ERA projects and the national funding organisations to contribute to the exchanges between the projects and their follow-up by the funders and review experts, meaning:

- Remind the project partners of the *CHIST-ERA Follow-up* objectives and process and more generally about the expectations of the NFOs;
- Gather impression about the funded projects, meet in person and listen to the researchers;
- Strengthen the scientific communities related to the topics of the Call 2010 and the Call 2011 and support effort toward interdisciplinary research.

As a further objective, the Seminar will contribute to the global assessment of the CHIST-ERA Call 2010 and Call 2011.

The 1st day, March 26, is devoted to the presentation of the projects of the Call 2010 on *Quantum Information Foundations & Technologies* and *Beyond Autonomic Systems - the Challenge of Consciousness*. The projects in the domains of *From Data to New Knowledge* and *Green ICT, towards Zero Power ICT* are presented on the day after.

The Seminar will take place in the premises of the Hôtel Lalaing at the 'Brussels Info Place' (Rue Royale 2, Brussels).
