

## Projects Seminar 2016 - Bern

The CHIST-ERA **Projects Seminar 2016**, organized in **Bern** on **April 27-29, 2016**, brings together researchers involved in the ongoing CHIST-ERA projects and representatives of the research funding organisations. The main objective is to promote exchanges between the projects and to facilitate the follow-up of the projects by the funders and the review experts. In this context, the objectives of the seminar are:

- Remind the project partners of the broader CHIST-ERA picture, including the follow-up process and objectives;
- Exchange impressions about the funded projects, meet in person and listen to the researchers presenting their projects;
- Strengthen the scientific communities working in the topics of the CHIST-ERA calls and support effort toward new collaborative and interdisciplinary research.

As a further objective, the seminar contributes to the long-term assessment of CHIST-ERA calls and the shaping of CHIST-ERA in the long-run.

All project investigators and students (not only the coordinators) are invited to join the seminar.

### Core of the program

The core program of the Projects Seminar is divided into 2 days; see the [programme](#) <sup>[1]</sup>.

- **Day 1** (Thursday, April 28): **Per Topic**
  - *Parallel Sessions* with topic-specific presentations, discussions and preparation of the plenary presentation
  - *Plenary Demo & Poster Session*
- **Day 2** (Friday, April 29): **Cross Topics**
  - *Plenary Sessions* with one joint presentation per topic

### Registration

The registration for the Projects Seminar is **closed**.

### Practical information

Practical information, including suggestions for accommodation can be found [here](#) [2].

Please notice that the Swiss power outlets are non-standard. All delegates are kindly requested to bring their own power adaptors.
