

## Projects of Call 2017

### Selection Procedure

The evaluation of the proposals is performed by an international evaluation panel assessing the following criteria:

- Relevance to the Topic
- S/T quality
- Implementation
- Impact

The evaluation panel compiles a ranking list of the proposals. Based on this list, the call steering committee proposes projects to be funded to the national funding organisations. Final decisions are made at the national level.

### Results

The list of the projects recommended for funding by the call steering committee is available as attachment.
