

Projects Seminar Registration - 2019

The registration for the Projects Seminar is open. **Please complete your registration at the latest before the 20th of March, afternoon.**

Note that there will be an **interactive demo and poster session**. Please mention your plans for that session when registering.

A few meeting rooms equipped with a beamer are available for **project consortium meetings** before and after the seminar. If you wish to organize such a meeting, please indicate this in the registration form below or contact the seminar organizers.

For further information about the program, see the program page (to be added soon).
