

Projects Seminar 2024

CHIST-ERA Follow-up

April 17, Helsinki

Contact: Fabien.guillot@anr.fr

- ❑ An updated FAQ for CHIST-ERA funded projects is available at the following link: <https://www.chistera.eu/faq-chist-era-funded-projects>
- ✓ A scientific activity report must be submitted each year during the project lifetime. The project coordinator is contacted by the Italian Ministry in charge of Research (MUR), the contact point is Giorgio Carpino: Giorgio.Carpino@mur.gov.it
- ✓ For any follow-up question, please contact: chistera@anr.fr

❑ Asking for a project extension or modification:

- ✓ Send an email to chistera@anr.fr
- ✓ During Anna's absence, project extensions and modifications will be processed by e-mail.
- ✓ The request will circulate among the funding agencies involved in the project asking for an extension or modification
- ✓ Once the request is accepted at CHIST-ERA level, **all the partners must apply at national/regional level.**
- ✓ **The request is considered as effective once the partners have applied at national/regional level.**
- ✓ *For French partners only:* please apply through the ANR follow-up system <https://aap.agencerecherche.fr/> at national level.

❑ Temporary update of the Project Toolbox:

- ~~1. Request an extension or modification~~
2. Edit and update our project factsheet
3. Submit the consortium agreement
4. Submit the exploitation report (3 years after the end of the project)
5. Associate your publications to your project factsheet
6. Submit your data management plan
- ~~7. Propose a project news to CHIST-ERA~~

URL Toolbox: <https://www.chistera.eu/toolbox>

You can continue to use the toolbox for points 2, 3, 4, 5 and 6, **but not to request an extension or modification of the project.**

The Open Science webinars on Data Management Plan and the Open Research Europe platform are available at the following link:

<https://www.chistera.eu/open-science-webinars>

Thank you!
